The Loft Artists Association is pleased to announce a juried photography exhibition titled, “From A Certain Point of View” from June 3 through June 25, 2023, with an Opening Reception on Saturday, June 3, from 4-6 p.m.

Enter the exciting world of photography with our first ever juried photography show. The exhibit will feature a broad range of photography focusing on the artist’s *Certain Point of View*. The Loft Artists Association is eager to present this opportunity for artists to engage in a broad themed exhibition where they can share their unique styles and techniques. What are the themes and topics that speak to each artist? What are the innovative techniques photographers are currently exploring? What feelings are artists hoping to evoke in their audiences? All of these questions and many more will be answered with this creative exhibit.

Based in Greenwich, CT, juror, Jay B. Wilson has worked as a fine art photographer since 2003. His focus is on documenting the beauty of Connecticut’s Gold Coast and New York City, as well as his travels across the United States and around the globe. In his photography, Wilson is drawn to tall buildings, lush landscapes, and salt water. Wilson’s photography has been exhibited recently at institutions such as the Carriage Barn Arts Center, Greenwich Art Society, Greenwich Historical Society, and Rowayton Arts Center. His work is in private collections around the country, as well as corporate collections at the New York Hilton and Andaz Fifth Avenue Hotel. Wilson has staged solo shows in Westchester County and New York City, including two exhibitions at Google’s New York headquarters.

Submission is open to all photographers, amateur and professional, nationwide. Artists have been encouraged to consider how they present, creativity, unique photographic style, narrative, image composition, lighting, degree of difficulty, and emotional impact.

The Loft Artists Association is a nonprofit organization dedicated to providing artists with a supportive environment and opportunities to exhibit our work, while reaching out to the

community at large with education and artistic expression, as well as collaborative projects. Since 1978, our grassroots events have attracted thousands of visitors throughout the tristate area. The LAA is widely recognized by city and state funding agencies, as well as corporate and private sponsors.

The Loft Gallery is open Saturday and Sundays from 1-4 p.m. Admission and parking are free. For directions and more information visit loftartists.org.
